PRIVACY POLICY

Privacy Policy

This website belongs to Galvo Soft Technologies Pvt. Ltd.(Referred as PSAUX.AI) only. It is the company's policy to respect your privacy regarding any information we may collect while operating our website. This Privacy Policy applies to <https://psaux.ai> (hereinafter, "us", "we", or "<https://psaux.ai>"). We respect your privacy and are committed to protecting personally identifiable information you may provide us through the Website. We have adopted this privacy policy ("Privacy Policy") to explain what information may be collected on our Website, how we use this information, and under what circumstances we may disclose the information to third parties. This Privacy Policy applies only to information we collect through the Website and through our advertisements, but does not apply to our collection of information from other sources.

This Privacy Policy posted on our Website, set forth the general rules and policies governing your use of our Website. Depending on your activities when visiting our Website, you may be required to agree to additional terms and conditions.

Website Visitors

Like most website operators, PSAUX.AI collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. PSAUX.AI's purpose in collecting non-personally identifying information is to better understand how PSAUX.AI's visitors use its website. From time to time, PSAUX.AI may release non-personally-identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

Collection of Personally-Identifying Information

Certain visitors to PSAUX.AI's websites choose to interact with PSAUX.AI in ways that require PSAUX.AI to gather personally-identifying information. The amount and type of information that PSAUX.AI gathers depends on the nature of the interaction.

Marketing, Promotion and Information

<https://iopshub.com> uses the marketing services to advertise on Google and Google partners, LinkedIn and other Social media pages. It could mean that when we advertise on these platforms we can use the contact form to make an inquiry. These enquiry forms require personal information like name, Email ID and contact number. The information given there is assumed to be given with your consent. This could be in the form of an advertisement on the Google search results page, or a site in the Google Display Network.

Third-party vendors, including Google, use cookies to serve ads based on someone's past visits. Of course, any data collected will be used in accordance with our own privacy policy and Google's privacy policy.

You can set preferences for how Google advertises to you using the Google Ad Preferences page, and if you want to you can opt out of interest-based advertising entirely by cookie settings or permanently using a browser plugin.

Storage, Disclosure and Protection of Certain Personally-Identifying Information

PSAUX.AI stores potentially personally-identifying and personally-identifying information in its server and discloses it only to those of its employees, contractors and affiliated organizations that (i) need to know that information in order to process it on PSAUX.AI's behalf or to provide services available at PSAUX.AI's website, and (ii) that have agreed not to disclose it to others. Some of those employees, contractors and affiliated organizations may be located outside of your home country; by using PSAUX.AI's website, you consent to the transfer of such information to them. PSAUX.AI will not rent or sell potentially personally-identifying and personally-identifying information to anyone. Other than to its employees, contractors and affiliated organizations, as described above, PSAUX.AI discloses potentially personally-identifying and personally-identifying information only in response to a subpoena, court order or other governmental request, or when PSAUX.AI believes in good faith that disclosure is reasonably necessary to protect the property or rights of PSAUX.AI, third parties or the public at large.

PSAUX.AI takes all measures reasonably necessary to protect against the unauthorized access, use, alteration or destruction of potentially personally-identifying and personally-identifying information.

Use of Information

PSAUX.AI may collect statistics about the behavior of visitors to its website for the purpose of research and development. PSAUX.AI may display this information publicly or provide it to others. However, PSAUX.AI does not disclose your personally-identifying information. All the information used by PSAUX.AI will be the one that is voluntarily given.

Privacy Policy Changes

Although most changes are likely to be minor, PSAUX.AI may change its Privacy Policy from time to time, and at PSAUX.AI's sole discretion. PSAUX.AI encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of this site after any change in this Privacy Policy will constitute your acceptance of such change.
